Sure – do you want this to be part of the open discussion during the risk assessment portion of the agenda? Alternatively, we could try to meet for a few minutes before or after the meeting. Both Marian and Chuck will be there.

If there are particular comments that concern you, please let me know ahead of time so we can prepare.

Thanks

They need to be in the discussion - can we have sometime on Thursday?

Okay - I think we're both available between 10:30 and 12 tomorrow. Or do the risk assessors need to be on this call?

We are going to need a call about EPA's comments - they are more than you suggested.

Hi Rob,

Attached are EPA's comments on the above-referenced report. Please let me know if you have any questions.

Thanks,

Stephanie
